Girl Scout Holiday Boutique Spotlight

Each year the Davis Girl Scout Holiday Boutique pairs up with a local non-profit to provide an opportunity for the girls to help those in our community.

Troop 668 selected the Mustard Seed School as the local non-profit.

Established in 1983, the **Mustard Seed School** is dedicated to bringing supplies and education to the homeless children in the Sacramento Area. It was started by the Sacramento Loaves and Fishes society.

By donating supplies to the Mustard Seed, girls help give less fortunate children a better, happier, more comfortable life.

The girls should bring ALL donated items to the Holiday Boutique.
