Twelve

Months in

Davis'

Gestation

Celebrating

Davis'

140th

Anniversary:

1868-2008

Exhibit Number One:

The First Four
Months of
1868

**This is the first of four
quasi-quarterly exhibits
in 2008 that chronicle
the formation of the
place we now call
“Davis.”**

The at-the-time news story is the central feature of this exhibit.

The effort is to provide an almost week-to-week portrayal of how Davis “gestated.”

The news stories making up the chronology are photocopied from three newspapers:

- ***The Solano Press* (SP, below) published in Suisun City.**
- ***The Woodland Mail* (Mail, below) published in Woodland.**
- ***The Yolo County Democrat* (YCD, below) also published in Woodland.**
