

DHS PTA Volunteer Form 2013-14

Dear Parents and Guardians,

Welcome to DHS! Please volunteer to help your high school student's PTA at some point this year. Our PTA serves almost 2000 students and over 150 teachers. We do this with an efficient and effective volunteer force. We have some standing volunteer groups that don't require a huge commitment throughout the year; I hope one of these committees suits your schedule and interests. Also, we will announce additional volunteer opportunities via the listserv throughout the year. Be an active part of the DHS PTA community!

Thank you for your support and feel free to contact me if you have any questions.
Sally Albertson, DHS PTA President, davishighpta@gmail.com or 757-7890.
