

The purpose of the “PreDeparture Check-In Event” is to assist every tour group member/passenger to obtain clearance at all 5 “check-in” stations. We want to be absolutely certain that everyone is “Ready for Take Off” as they board the bus the following afternoon.

This process is necessary. Any potential problems need to be identified now, otherwise they could cause unnecessary delays for the entire group. As well, for the duration of the trip, we want to ensure required items are actually physically in hand or “packed” (e.g. concert clothes, music binder, medications, etc.)

Basic Overview of the Event:

Passenger begins with Station 1, signs in, has gear packed ready to be processed and collected. A Departure Card with their name is stamped and issue. Passenger continues with Stations 2 through 4, completing each with a stamp on their card.

Last Station 5, Emergency Contact is verified. Last stamp applied, and the completed departure card is collected.

INFORMATION: Sophomore and Junior Band students – ONLY –

You will be playing at the DHS Commencement Ceremony in the evening of July 8th; therefore you will have to “check-out” your instrument for the event:

1. Arrive to DHS PA-3 at
 2. Check-out your instrument
 3. Perform at the Commencement Ceremony
 4. Check in your instrument in DHS PA-3
