Band Director's Message

Well, we've nearly made it!! The end of the year, that is!!!

May is the time for fun, good weather, the end of school (nearly), and unfortunately, for goodbyes. It is with a great deal of thanks and a touch of sadness that we must say farewell to the band officers and committee chairs that are seeing their students graduate. *Thank you all!* You have given our students a super experience, allowing them to reach higher, to do more, and to be the best DHS has to offer. (You have also made it difficult for the next group of leaders!). At this time we also welcome other parents who will be stepping up to assume those critical roles. I know you will help us to continue achieving even more in future years.

Our annual "Secondary Concert" took place on Tuesday, April 19th. This was another fine evening of band music by the Advanced Bands of the three junior highs schools and also by our own Symphonic Band. I hope you got the chance to hear the 40 drummers with their "Irish tap presentation" from *Riverdance*.

On May 3th, both the Concert and Symphonic Bands presented our **"Senior Concert."** This performance has become a nostalgic evening - thanking the seniors for their efforts, finding out their plans for next year, and "passing the torch" to the next group of leaders. This is also the last formal concert for seniors.

(OK, Lange, enough of this rehash, but what's coming next?)

Well, the first thing is our fantastic **trip to Victoria**, **B.C.**, **Canada**. The trip committee has worked overtime to prepare a GREAT trip for your students, which will include quite a few learning opportunities. Your students will be busy from morning until late at night, so expect some TIRED folks when they return.

But don't let them rest yet... the day after we return we have our annual "Picnic and Pops in the Park" at the Farmer's Market. This performance will be from 6:00 to 7:00 p.m. and will include music we will play in Canada. Bring your picnic dinner and help us to thank the Davis community for all of their support during the past year.

Our final performance of the year is "Jazz On a Summer's Eve", on Friday, June 3rd, at 7:30 p.m. in the IPAB.

There is a lot for our students to do as part of our great band program!

Mr. Fred Lange, Director of Bands

Band Booster President's Message

Greetings Band Boosters,

Well, we are heading into the final stretch for the year... Star testing, AP tests, finals, and, of course, the Spring Band Trip are all upon us. With the academic stress our students are under, there needs to be a safe and fun release, and that is where the band comes in. In just a few weeks we'll be venturing to Victoria, Canada, for Victoria Day. Bands from hundreds of miles away have been traveling to Victoria for decades. It is a fun, safe, and relatively close destination, and although it is "international", for us it's just heading up to our northern neighbors to say "Happy Victoria Day-eh?"! For some, it will be the first time on an airplane, the first time out of the state, or the first time out of the country. It's exciting and special, and a nice way to introduce our students to international travel. But most of all, it is a great opportunity for the students to bond with others that they have been in classes with all year long, to create new friendships, and to foster existing ones. Taking a deep breath and letting go for a couple of days can do wonders for our kids (and for us, too)! I am looking forward to a great trip ~ a time to talk with the students (who are developing into some pretty neat people!), and to help instill the value of musical bonds and friendships for their lives moving forward. It becomes a nugget of life, which they can look back on and say, "I remember when...". My wife still talks about the time her high school band drove 24 hours up to Victoria by bus to participate in this "Western Right of Passage." So, amongst all the craziness of this time of year, don't forget to smell the roses, or in this case, the fresh northern air. Oh Canada, their home and native land.

Enjoy the last 6 weeks of the school year! :-)

Cheers, ~JAH

MUSIC NOTES

<u>Join the Local Community Band</u>

Parents: When you listen to your child playing great music in band do you wish you were still playing your instrument also?

Students: Does the thought of graduating from DHS and leaving band behind make you sad?

In last month's newsletter, John Horn reminded everyone that the music doesn't need to stop when you graduate from school. If you want to dust off that instrument in the closet, have some fun with fellow musicians, and play some great music again, **consider joining the local Woodland Community Band**. The band includes members from all over Yolo County (Davis, Woodland, Winters, Esparto, etc.), and encompasses ages from current high school students to UCD students to retired folks. I found out about it and joined last year after not playing in an organized group for 30+ years! We play 5 to 8 concerts a year and are planning a "tour" for summer of 2012 to do concerts with some other Northern California community bands. We meet weekly on Tuesday nights from 7:00 to 9:00 p.m. at Pioneer High School in Woodland. Bobby Rogers, Pioneer High School's Band Director, is also conductor of the Woodland Community Band. Contact me if you have questions (dhsbbpublicity@gmail.com or 758-2956) or visit the band website at http://woodlandcommunityband.com/.

Make some music again!

Scrip

Many thanks to those of you who have been participating in our Scrip programs this year! The list of participants has been increasing - meaning more funds are being raised! - so we are very grateful to each and every one of you who is contributing in this way. Please don't forget to help your friends and family members get involved, too. The Nugget, Safeway, and SaveMart Scrip cards can be used at ALL stores (regardless of location) to benefit our band program. SaveMart cards have been pre-scanned to benefit the DHS bands, and the Safeway and Nugget programs require a very simple online registration. Please pick up the cards and registration information in the lobby at any of the upcoming concerts, or feel free to contact me directly to request that cards and info be sent (lynnerumery@gmail.com or 530-753-4301). THANK YOU A MILLION!

Band Booster Minutes ~ April 11, 2011 □

- Approval of Minutes The minutes from the March meeting as published in the April newsletter were approved.
- II. Music Director's Report Mr. Lange reminded all of the upcoming concerts (see calendar for dates). The Jazz Band just returned from Monterey, which was a fun, successful experience for the Band to perform there. Kathryn will send the group photo contact info to Jazz Band families. Stefan Waterstraat's Dad offered to make CDs of the performance for all Jazz Band families. The rehearsal schedule for the upcoming tour has changed slightly. The rehearsal on the 19th moved to Sunday the 15th at 7:30pm. The new dates are on the calendar. Mr. Lange will send home a note that students need to attend 3 of 4 rehearsals, and if students are not going on the trip, they can practice the same amount of time at home to earn points. "Picnic and Pops in the Park" was changed to Wednesday May 25th. Fred will inquire whether it can be moved to a different date.
- III. Student Report Pep Band will participate in Picnic Day on Saturday 4/18.
- IV. <u>Treasurer's Report</u> Joyce H. suggests this organization needs to have open conversations on how money is spent. Currently emails are exchanged and decisions made. It would be best to have a budget established at the beginning of the year to determine how funds are allocated. For example, in the future have a cap on what amount we feel comfortable allocating towards financial assistance. The finances are in excellent condition. John has allocated \$3K in financial assistance for trip this year. We have about \$26K in the general fund, \$5K of which will go to music fund for purchases over the summer. We also have \$15K in savings. Mr. Lange wants to purchase a couple of instruments. If we have a lot of extra cash, Joyce would like to see trip cost for students come down even further. John was to ask what expenses Mr. Lange anticipates for the near future. Joyce recommends that if we want more involvement and transparency, we need to present a budget for review at our May meeting.

V. Committee Reports -

- A. **Direct Donations** There were no additional donations this month.
- B. <u>Coconut Grove</u> Coordinators will be meeting to recap and will report at next meeting. Joyce H. reports we earned about \$7K, and the net was a bit less than usual as we needed to replace all decorations. Kids earned about \$11/hour. Student participation was great.
- C. Jazz Band Update The concert this Sunday evening by the Jazz Band & Combo is free.
- D. Victoria Spring Trip Kathryn is preparing student packets to distribute soon. Wes will post all forms on the website.
- E. Pizza & Yogurt Fundraisers No report.
- F. <u>Scrip</u> Lynne will have a table available at DHS open house. She is now encouraging people to pick up forms from Safeway, Nugget and SaveMart for friends and relatives. Lynne's work has increased the number of participants in Scrip program. She will remind people to renew eScrip.

VI. Old Business / New Business -

- A. <u>Picnic Day Parking</u> No one has offered to "host" the District parking lot on Picnic Day. We didn't make much money last year. Kathryn will tell John we decided not to have parking. A suggestion was made to make a big sign that says "free parking compliments of DHS Band Boosters!"
- B. <u>Concert Refreshments</u> Julie Hochman will organize refreshments to be sold at the beginning and end of the concert on Tuesday.

VII. Announcements -

- A. Wennburg Orchestra Festival Margaux Filet of Symphonic Band will be the featured flutist at Mondavi this weekend.
- B. Concert Announcer Julie Hochman will announce the bands at the upcoming concerts in John's absence.

The meeting was adjourned at 8:07 p.m.

Respectfully submitted,

Kathryn Shickman, Band Boosters Secretary
