

City of Davis Police Department and Community Services Department Present:

# Teenage Binge Drinking

an info night for parents

Tuesday, May 17, 2011 - 6:30-8:00pm  
Veterans Memorial Theatre

The three leading causes of death for teens are car accidents, homicides, and suicides, and alcohol is a leading contributor in all three.

In 2003, 31% of teen drivers who died in serious car accidents had been drinking.

Learn about some of the dangers of underage binge drinking

- What is binge drinking?
- How many teens binge drink?
