Da Vinci Jr. High and High School

Volunteer Opportunities

Da Vinci Charter Academy's project-based learning is founded upon collaboration and cooperation. The Booster Club's success is also dependent upon collaboration and cooperation. We invite all Da Vinci families to contribute some volunteer hours each month to support the many activities that benefit students and staff. Please indicate your interest by checking one (or more ☺) of the categories or events – we need leaders and helpers that can contribute even just a few hours. You really make a difference in our school! Please consider skills you can bring to make our DaVinci community thrive. If you want more information, please contact Mary Walker, our volunteer coordinator, at walker.mary1959@gmail.com.

HOW TO GET INFORMATION ABOUT SCHOOL AND BOOSTER CLUB ACTIVITIES

Valuable information about activities and events is provided through listserves, websites, and Da Vinci's new Facebook Page. If you want to keep informed about Da Vinci Charter Academy join the listserves, become a friend on Facebook, and look at the websites. If you are not on the listserves you may miss information important to you and your student.

- The Da Vinci Administration and Staff provide information (announcements, including school-wide events, testing information, educational opportunities and other items of general importance to parents) through the Booster Club listserve, the Da Vinci Charter Academy Website, the new Facebook Page, occasional school wide calls (robocalls), and some mailing of documents.
- The Booster Club provides information about school activities, volunteer opportunities, and Booster Club/school events through the Booster Club listserve and website.
- Emerson Jr. High and Emerson Jr. High PTA provides information about school activities on their listserves and websites that may be important to Da Vinci Jr. High parents.
- Davis High School provides information about DHS activities on its listserves and website.

*Note that use of the listserve is the primary way to communicate with and inform Da Vinci families about school-related activities. We recognize that sometimes there is just too much information and we try to state the subject matter clearly so that you can delete those emails that don't interest you. We welcome suggestions.
