Please get your family donation forms in by NOW!

Any questions, ask Lara Reising (and be sure to tell her she is doing a great job—remember, it could be you!).

AUCTION, AUCTION

RAFFLE TICKETS!!!

Yes, yes, it's that part of the Auction you've all been asking us about and it's the answer to your question, "What will I do now that the Super Bowl is over?" **RAFFLE!**

Coming home to you Monday, February 3rd in your child's folder/backpack. You will also get an informational flyer about the raffle.

We are asking all families to sell just 5 tickets at \$5 each.

Some **GREAT** things about this raffle:

*The Grand Prize is a Hot Air Balloon Ride for 2 with a follow-up Champagne Breakfast from Napa Valley Balloons! Valued at \$430!

*This is an easy way to reach outside of the Fairfield community for sponsorship of our school.

*You can sell all the way up to the date of the auction, February 22!

*We are asking all families to sell just 5 tickets.

*If you run out of tickets, **WE HAVE MORE!**

*There are selling incentives:

1st place seller: 20 extra raffle tickets

2nd place seller: 10 extra raffle tickets

3rd place seller: 5 extra raffle tickets

*You'll have 2 chances to win with every stub! Raffles will be run at the close of each silent auction table. Those stubs **NOT** chosen will be added to the Grand Prize raffle.

Turn in stubs + \$\$\$ in an envelope with your name on it to the Fundraiser Mailbox in the kitchen.

We will distribute the stubs turned in prior to the auction, evenly throughout the raffle jars.

Be sure to fill out the information of the ticket purchaser clearly on the stub.

When you are selling tickets, be sure to **KEEP THE STUB** and return it the fundraiser mailbox or bring it to the auction.

There are no refunds if you forget the stubs at the auction or lose them.

*Editor's Note: Despite vicious rumors that school raffles are illegal (see Penal Code section 319; but see section 320.5(c)) and will subject our fundraiser coordinators to misdemeanor charges with a maximum of six months in jail, I assure you that they are perfectly legal and only Lara will be criminally exposed.
