PREDISENT'S CORNER

Dear Fairfield Community,

Rain! Hurray! Maybe we can finally see some snow in the mountains this weekend besides on TV in SOCHI! As you all know, we are in high gear preparing for the auction, which is critical for our school. I know all of you will attend this important event and support our school. Please pay close attention to the emails from our awesome fundraising team and make sure to get those family donations (and other donations) in and get your babysitters lined up. Also, feel free to bring relatives, friends, and anyone else interested in supporting the school.

We will have our next **PTA meeting on February 12th at 7 pm.** The agenda is included in this edition of the Folk-us. We will have a special guest from the Davis Schools Foundation come to discuss the foundation's purpose and goals for this year and the next. This year, DSF made Aide support a priority and donated \$1,200 to our school for that purpose. This will be a great opportunity to learn about DSF and to thank them for supporting our school.

As always, if you have any suggestions for the PTA, please email me at: cutlert@pharmacy.ucsf.edu. Have a wonderful week and I will see you all at the PTA meeting.

Tim Cutler

GUESS WHO?

Back by mediocre demand... Who would have thought that this innocent third grader would one day be steaming up the Amazon charts with romantic tales of heroines and bad boys? Maybe the giant lapels were a foreshadowing of her penchant for vampires.

Please email me any articles for inclusion in the Folk-Us by Sunday at noon.
