### We have a website

Check out [Fairfieldschool.info](http://Fairfieldschool.info) for our informal PTA website.

I'm going to post the Folk-U's editions on the site only. But I guess you know that since you are reading this.

And Greg Moffitt ([gmoiffitt@gmail.com](mailto:gmoiffitt@gmail.com)) will be our guest editor on 3/31 and 4/7 while I am in Kauai. Please submit any articles to him by Sunday at noon. Thanks Greg.

### HAPPY ST. PATRICK'S DAY!!

For a great night out, be sure to check out Andy Jones and his trivia night at de Vere's Irish Pub every Monday from 7-9 p.m. I say we put together a few teams one Monday and make a parent's night out of it.

Davis Parent University Lecture Series Presents:

## A Conversation about Youth Sports:

UNLOCKING THE SECRET TO RAISING HAPPY, HIGH ACHIEVING ATHLETES

Featuring John O'Sullivan, Best Selling Author of "Changing the Game"

Friday, March 21<sup>st</sup>, 7-9pm at Brunelle Theater

Following the lecture a panel of local coaches will discuss how to apply this approach to the playing fields of Davis.

Check out the FLIER for more details at:

## You are invited to attend AN EVENING WITH OLAF

Enjoy good laughs for a good cause with this physical comedy in the tradition of Buster Keaton, Charlie Chaplin, and Jacques Tati.

Paul Del Bene, a Davis parent, brings more than 30 years of experience as a performer, director and teacher to the stage in Davis. He has toured with Circus Monti in Switzerland, Ringling Brothers Circus in Japan, has performed at the GOP Varieté theater & Friedrichsbau Varieté in Germany as well as other vaudeville style venues in Europe and has performed for clients such as DHL Germany, Industrial Light & Magic, Warner Bros. International, Pixar and most recently a Circus Arts Festival in Dubai.

The show incorporates elements of theater, circus, physical comedy, music and dance to create an evening of old-fashioned fun suitable for all ages.

## GARDEN CORNER

James, Kindergarten

*What is growing in your garden?*

Broccoli, tomatoes, radishes.

*What is your favorite vegetable?*

Well, I sorta like tomatoes, broccoli and peas.

*If you could grow anything what would you grow?*

I would grow dirt. (Editor's note: great answer.)

*Do you have any gardening tips?*

Well, I know one thing to help gardens and that is watering and planting and that's actually all I know. Watering and planting.

Heaven, Second Grade

*What is growing in your garden?*

Radishes and a couple strawberries and I think some celery and I think that is probably it. And maybe some tomatoes.

*What is your favorite vegetable?*

My favorite vegetable is tomatoes.

*If you could grow anything what would you grow?*

Probably strawberries.

*Do you have any gardening tips?*

So, you should check on your garden every once in a while. Feed it lots and water it every week. Give it lots of sunlight and make sure it has room to grow.

Please email me any articles for inclusion in the Folk-Us by Sunday at noon.
