Volunteers REALLY, REALLY, REALLY Needed!

We still need volunteers to work the Farmer's Market Carousel this Saturday, April 5, between 8am and 2pm. You know you've always wanted to peddle for a good cause! Come on, do it for the kids! If available, contact Jen Wendt at missjenjen1@yahoo.com. Please provide childcare for your kids when you come to work the Carousel and remember: you get work hours for volunteering!

Garden Corner

Beatrice, 1st grade

What is growing in your garden?

Strawberries. Ummm...carrots, radishes, asparagus. There was asparagus. I know I grew peas last year...I had lettuce. And paper whites.

What is your favorite vegetable?

Carrots

If you could grow anything what would you grow?

Peas.

Do you have any gardening tips?

The bunnies don't like strawberries (although something still ate my strawberries).
