

Board Meeting Minutes for February 11, 2021 Old North Davis Neighborhood Association (ONDNA)

Our meeting convened at 6:00 pm via Zoom, due to social distancing.

Approved March 11, 2021

Attendees: ONDNA Board members present were: John Meyer, Angela Willson, Gerrit Mulholland, Greg Frantz, and Lucas Welch, Other attendees were Marian Stephenson, Kim DeYoung, Dave DeYoung, and Gaienne Bouyssou, a student at UCD in the Community Development Department.

Start Meeting. The minutes for our January 14 meeting were approved without changes. The agenda for the current meeting was approved with an addition to discuss neighborhood complaints regarding a property at 513 E Street regarding noise and parties. Our bank account remains at about \$400.

Neighborhood Projects. The property at 626 B Street is currently being cleaned up, and will be put on the market when this is complete. There is little more that the Board needs to be involved with regarding this property. The nuisance at 513 E Street may need to be addressed, and ONDNA will follow this to see if it is a neighborhood problem.

Police Advisory Board. Board member Angela Willson reported that the Police Board this month has reported the usual theft of catalytic converters and other usual mischief and mayhem.

Tree Planting. All new trees have been planted, and no new trees were damaged due to our recent storm. Tree Davis has contacted residents where trees have been planted regarding the care of the new plantings. A question was raised regarding old trees that have previously died and whether they would be replaced.

Our Guest. Ms. Gaienne Bouyssou joined us as part of her UCD class in the Community Development Department, presumably to observe how local folks conduct business in their communities. We hope that Ms. Bouyssou was informed and inspired by ONDNA in action.

Other Agenda Items. Some agenda items were not discussed due to no new information. These may appear on future Board agendas, as needed.

Our meeting was adjourned at about 6:45 pm. Our next meeting is scheduled for Thursday March 11, 2021 (note 2nd Thursday) from 6-7pm via Zoom.

Respectfully submitted, Greg Frantz, ONDNA Secretary, March 11, 2021.
