From **HATE** --- *to* **LOVE**

a former PLO Terrorist now loves Israel

WALID SHOEBAT is a Palestinian by birth (born in Bethlehem, raised in Jericho and Bethlehem), who lived a life of violence and rioting in Bethlehem and the Temple Mount. In 1978 Walid was sent with a bomb on a mission to kill Jews. Today he is speaking out in their defense... Hear the truth behind the propaganda from a man who has lived it. The incredible journey of Walid Shoebat from Terrorist to Zionist. In 1993, Walid studied the Tannach (The Hebrew Scriptures) and after six months of intense study, he realized that everything he had been taught about the Jews was wrong. Convinced he was on the side of evil, he became an advocate for his former enemy. Walid, a dedicated Christian, now bases his decisions and actions on Biblical truths.
