From Brian Johnson and Lorell Bertolone on Full Circle: "The owner Dale Johnson came out same day called and repaired our fridge's ice-maker just for the reasonable cost of the his service call. Dave's Appliance, Citrus Heights, 662-2911 (listed 9/9/2015)

From Kristi Hervig on Full Circle: "I had Dave check out my ailing washing machine. He was friendly, professional, and explained what was wrong in a way that I could understand. Rather than trying to sell me a part, or appliance, he told me that a repair would not really be worth it. Instead, he gave me some tips on how to prolong the life of the machine. I would not hesitate to call him again. He is great!"
